

NAKAMA is a non-profit scanlation group
bringing you high-quality unlicensed manga.

All of our releases are labors of love for the yaoi fan community
intended to make available titles that would be otherwise unattainable.

We strongly encourage readers to buy US releases in order to support the growing yaoi industry
and remind you that nothing is as good as the real thing.

Please also remember that these scanlations are intended for private use only!

Do **NOT** redistribute, sell, auction
or otherwise make available for public download or viewing.

If you want to share our releases with your friends or an online community,
please refrain from sending or posting the images.

Instead, send them to our website, IRC channel or Yahoo group for downloads.

Finally, the following pages are considered **ADULT** in nature
and occasionally contain explicit, or what some may consider offensive, content.

Please heed the warnings and do not read or access
if you are not of legal viewing age in your area.
